

S no	Name	Author	Venue	Date
1	Why Gray Backgrounds for DCS Operating Displays? The Human Factors Rationale for an ASM Consortium Recommended Practice	Peter Bullemer (HCS) Dal Vernon Reising (HCS) Jason Laberge (HON)	Control Engineering	Feb-11
2	Improving process safety culture: An audit checklist for effective first-line supervision based on common operations failure modes.	Peter Bullemer (HCS) Jason Laberge (HON)	7th Global Congress on Process Safety, Chicago.	Mar-11
3	Operator reliability : taking automation to the next level	Luc De Wilde (TOTAL)	IBC conference Automation & Control for Energy, Manchester	May-11
4	From Incident Reporting to Rule Based Management	Herman Van Roost (TOTAL)	3rd Annual Behavioral Based safety Management convention, Amsterdam	May-11
5	ASM Compliant HMI Graphics Design for Honeywell Experion at Sasol Synfuels	Hardie Voges (SASOL) Mischa Tolsma (SASOL) Jamie Errington (HCS)	Honeywell Users Group Americas, Phoenix	Jun-11
6	Alarm Management: Wasn't that problem solved years ago?	Luc De Wilde (TOTAL) Dal Vernon Reising (HCS)	Honeywell Users Group Americas, Phoenix	Jun-11
7	Structured Approach to Shift Handover Improves Situation Awareness at Engen Oil	Tom Plocher (HON) Brian Thompson (ENGEN)	Honeywell Users Group Americas, Phoenix	Jun-11
8	Effective Shift Handover	Tom Plocher (HON) Shanqing Yin (NTU) Jason Laberge (HON) Brian Thompson (ENGEN) Jason Telner (HON)	9th International Conference on Engineering Psychology and Cognitive Ergonomics, HCI Conference, Florida	Jul-11

<b>9</b>	Process Safety through Operational Management	Herman Van Roost (TOTAL)	8th Annual Congress of Chemical Engineering, Berlin	Sep-11
<b>10</b>	Advances in Abnormal Situation Management	Andrew Ogden-Swift (HON)	APC9 conference, York	Sep-11
<b>11</b>	Towards Improving Operator Alarm Flood Responses: Alternative Alarm Presentation Techniques.	Peter Bullemer (HCS) Mischa Tolsma (SASOL) Dal Vernon Reising (HCS) Jason Laberge (HON)	ISA Automation Conference, Mobile, Alabama	Oct-11
<b>12</b>	ASM Compliant HMI Graphics Design for Honeywell Experion at Sasol Synfuels	Hardie Voges (SASOL) Mischa Tolsma (SASOL) Jamie Errington (HCS)	Honeywell Users Group EMEA, Baveno	Oct-11
<b>13</b>	Alarm Management: Wasn't that problem solved years ago?	Luc De Wilde (TOTAL) Jamie Errington (HCS)	Honeywell Users Group EMEA, Baveno	Oct-11
<b>14</b>	Alarm Management	John Sams (BP)	Honeywell Users Group EMEA, Baveno	Oct-11
<b>15</b>	Common Operations Failure Modes in the Process Industries.	Peter Bullemer (HCS) Liana Kiff (HON) Anand Tharanathan (HON)	Journal of Loss Prevention in the Process Industries	Nov-11
<b>16</b>	Human Reliability in future operations	Herman Van Roost (TOTAL)	NG Downstream Europe Group Summit , Bremen	Dec-11
